

# Finances – expenses

## Average yearly expenses

(2006–2010)

around € 675'000

per year

# Finances – resources

**Average yearly resources** (2006–2010)  
around € 700'000 per year  
including 60% of subsidies from institutions

In order to insure a transparency of monetary flow and a good management of the resources, SFE has set up these levels of control :

- Auditing of our accounts in Laos through an accounting company.
- Consolidation of accounts in France by the accounting company Kremer & Associés.
- Auditing of our accounts in France by a recognised auditor.
- Annual reports to the donors.
